One block of L Street to be closed for St. Patrick's Day event

The City of Sacramento has approved the closure of L Street between 15th and 16th Street for a St. Patrick's Day event being staged by de Vere's Irish Pub and the Mix night club. The street and sidewalk will be closed beginning at 9 a.m. Tuesday, March 17, through 2 a.m. Wednesday, March 18.

Traffic on L Street will be detoured around the block via northbound 16th Street, to westbound K Street to southbound 15th Street and back to L Street.

The City of Sacramento Police Department will be assisting with securing the event, monitoring and controlling traffic. Electronic message boards will be used to alert the public. All costs of the closure and security are being paid for by the establishments.

The Department of Transportation's mission is to ensure the City's transportation system supports and enriches the quality of life for present and future generations.
