**FOR RELEASE JUNE 18, 2009**

## ***Sacramento Families Win \$100 for Being Solid Waste Stewards*** **Recycling Pays Off for City Residents**

*Sacramento, Calif.* – The City of Sacramento Department of Utilities Solid Waste Services, with sponsorship from Sacramento Recycling and Transfer Station (BLT Enterprises), will award a \$100 cash prize at the June 23, 2009 City Council meeting to three different winners: Frank and Linda Trujillo from Council District 7; Johnnie Painter from Council District 1; and Raymond Yee from Council District 2. Each household won for only having recyclables and no garbage in their randomly selected recycling container in recent months. Sacramento City Council Members will present the award to the families during the City Council Meeting, Tuesday, June 23, 2009 at 6:00pm.

Each month, a randomly selected City resident is eligible to win a \$100 cash prize for having the right materials in their recycling container, which include paper products, metal cans, glass jars and bottles, and all plastics. The prize of \$100 rolls over until a winner is found.

The City has received donations from BLT Enterprises for the past three years to fund this incentive program. The goals of the program are to encourage curbside recycling and reduce contamination of recycled materials.

For more information about the Residential Recycling Program, visit [www.cityofsacramento.org/utilities](http://www.cityofsacramento.org/utilities) or call City of Sacramento Department of Utilities Solid Waste Services at 311.
